- Compatible with the following models:
 - TP-SC24-30N-MPPT
 - TP-SC24-60N-MPPT
 - TP-SC48-60P-MPPT
- Works with MyGreen Solar Monitor PC Software
- Powers from PC USB Port

Applications

- Tycon TP-SCxxxx-MPPT Solar Charge Controllers
- Remote monitoring and control

Description

The Tycon Solar™ TP-SC-USB-RS485 USB to RS485 adapters facilitate connectivity between a windows PC and compatible Tycon MPPT solar controllers. Using the MyGreen Solar Monitor windows software, the MPPT solar controller can be setup and monitored via the PC. Data Collection can also be accomplished as long as the software is running and the MPPT Controller is connected to the PC.
